

Praise the Great Body, Brain and Nerve Builder.

Mr. and Mrs. White, of Bloomington, Ill., praise Duffy's Pure Malt Whiskey for curing Mrs. White of Grippe and restoring her to health and vigor. They recommend Duffy's Pure Malt Whiskey to those who are in need of a tonic stimulant to build up body, brain and nerves.

MRS. D. WHITE.

MR. D. WHITE.

Recently they wrote: "You will be glad to hear that Mrs. White and myself have used Duffy's Pure Malt Whiskey with the very best results. Mrs. White had a bad attack of the Grippe; I myself gave her Duffy's Pure Malt Whiskey according to directions, and she very soon felt the benefit of your medicine. She is getting stronger and healthier every day. We surely will recommend Duffy's Pure Malt Whiskey, and we thank you for such a great medicine.—Mr. and Mrs. D. White, 709 East Buchanan Street, Bloomington, Ill."

Duffy's Pure Malt Whiskey

is an absolutely pure distillation of malted grain; great care being used to have every kernel thoroughly malted, thus destroying the germ and producing a predigested liquid food in the form of a malt essence, which is the most effective tonic-stimulant and invigorator known to science; softened by warmth and moisture, its palatability and freedom from foreign substances render it so that it can be retained by the most sensitive stomach.

It is invaluable for overworked men, delicate women and sickly children. It strengthens and sustains the system; is a promoter of health and longevity; makes the old young and keeps the young strong.

CAUTION.—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey be sure you get the genuine. It's the only absolutely pure medicinal malt whiskey, and is sold in large sealed bottles only; never in bulk. Price, \$1.00. Look for the trade-mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Write Consulting Physician, Duffy Malt Whiskey Co., Rochester, N. Y., for free illustrated medicinal booklet and free advice.

TEMPLE FOR NEW SECT

Half Million Dollar Structure to Be Erected by Followers of Bahá'ism.

[Special to The Times-Dispatch.]

CHICAGO, September 26.—The erection of a \$500,000 temple in Chicago, with funds raised by Chicago followers of Bahá'ism, among whom are women prominent in society, is to make this city the home of the sect, which has 1,500,000 disciples in all parts of the world.

Mrs. Lillian Shaffner, Mrs. M. A. Trude, Mrs. Ragna Linne, the famous soprano, and Mrs. Nellie E. Cox, author, are leading spirits in the local colony representing the religion founded by Baba 'U' Liah. The first stone of the temple, which is to have nine doors and nine sides, at each of which a fountain will play, in accordance with the mysterious laws of the sect, has been provided, and a woman worshiper, whose name is kept secret, carried it from the south side to the green on which the temple is to be raised. Traveling on foot, she bore the heavy stone to the site as an offering to the memory of Baba 'U' Liah.

SEES THE "CORRUPT DEALS"

President Interested in Play Depleting Corruption in Public Life.

[Special to The Times-Dispatch.]

WASHINGTON, D. C., September 26.—President Roosevelt went to the theatre last Thursday night to witness a production of a new play, in which, in the words of the press agent of the production, "startling facts" in regard to "corrupt deals" of certain United States Senators are disclosed. The producers of the play, with two of the principal actors, were received by the President at the White House to-day. After the interview the press agent quoted the President's comments on the play as follows:

"Ten years ago I would not have believed the accusations in your play against men in high political places, but now I'm afraid they are true. When you produce a political play, you know you are taking a part in my own profession."

Byars and Tucker Find Large and Responsive Audience.

[Special to The Times-Dispatch.]

MARION, VA., September 26.—Hon. H. St. George Tucker and Hon. J. Cloyd Byars spoke here this evening to the largest crowd ever assembled in the opera house. The gallery was filled with ladies. Mr. Tucker says it was the most responsive and enthusiastic audience he has addressed in many years. Both speakers made fine impressions and many votes here to-day.

Mr. Byars, in his speech, made it very plain why Slemm will not give him any more joint discussions, and said Slemm knows he cannot possibly carry this district without use of a very large corruption fund. The Republicans here are very sore over the Roosevelt-Foraker affair.

A large Byars-Kerr-Byars Club was formed to-day, the Democrats being active and helpful.

New British Ice Freezer.

Consul Albert Halstead, of Birmingham, states that the invention of a new British ice-making machine is reported which works on the principle that water will freeze when evaporated rapidly by a vacuum pump and a powerful absorbent, such as sulphuric acid.
